Michael Potts

Owner of Ideal Construction with over 15 years of work experience in all things concrete and masonry. Michael was also the co-owner of Ideal Surface (2004-2010), a creative venture dedicated solely to the medium of cast/decorative concrete. To broaden his skill set Michael has completed several training seminars and specialized courses, including but not limited to; Chen Design course, The Concrete Institution training seminar, and GFRG training. Ideal Construction is a licensed and bonded company. You can find Ideal Construction's profiles on Angie's List and Facebook.
